# We are Grade 2

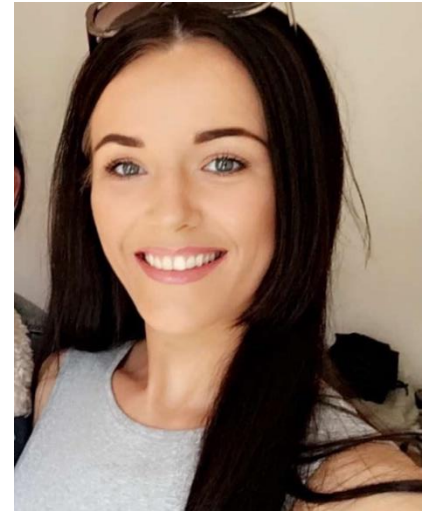

دار المعرفة  
dar al marefa

Hi, my name is Ms. Nour Bourghol and I will be teaching your son/daughter in Grade 2A this year as long as leading Grade 2 team. I have a Bachelor Degree in English Literature from Aleppo University and a Teaching Certificate from Lingua Edge Collage. This is my seventh year teaching at Dar al Marefa School and my fourth year teaching Grade two. I am looking forward to an exciting year. It is my goal to provide all students with an educationally challenging, yet fun, experience in my classroom.

Firstly, I would like to wish you all a warm welcome back to school! My name is Ms. Niamh & this will be my second year here at Dar al Marefa! Originally, I am from Ireland but have previously lived in England for 5 years studying and working in education. I'm looking forward to getting to know you and your children as together we embark on a new journey in Grade 2B!

Hello students of 2C! My name is Miss. Jessica and I am excited to meet each and every one of you. I am from Northern Ireland and worked in Kuwait last year. We are going to learn a lot this year and have fun while doing so. I hope you had a fabulous break! I look forward to meeting you and learning about your favourite things this year. Hopefully you are just as excited as I am about starting the new academic year.

Hello there! My name is Miss Lydia and I will be teaching Grade 2D this year. I am 24 years old and come from a small town in the North West of England called Maryport. I studied for a BA History degree before completing my teacher training in Newcastle. I then made the big move to Dubai! I am very excited to be going into my third year of teaching in Dar Al Marefa School and also to be teaching a new grade level. I can't wait to meet all of you and your fabulous children.
