I am from the United States and call the state of Texas home during the summers. This is my 15th year teaching, fourth year in the UAE and third year at dar al marefa.

I am looking forward to having a great year doing new units of inquiry, the Accelerated Reader program, and challenging activities with my students!

I have been teaching for seventeen years, from nursery through to grade eight, in the UK, Kuwait and the UAE.

I am really looking forward to working in fourth grade this year and getting to know all about each student and their various talents and skills. I hope that we have an enjoyable and very successful year together! 😊
